* ACS allows three ways to create in-text citations (p. 287). Please consult the ACS Manual to learn more about and decide on an in-text style.

### Choose Your In-Text Citation Method:

- **Superscript Numbers**: within the cited information OR at the end of the cited information.
- **Italic Numbers**: within the cited information (1) or at the end of the cited information (1).
- **Author name and year of publication (Author-Date)**: within the cited information (Author, Year or Year only) OR at the end of the cited information (Author, Year or Year Only).
- For two authors, use “and” (Medford and Starr) in your in-text citations. For more than two authors, use “et al.” (Medford et al.)
